## VENDORS OF NEWSPAPERS AND MAGAZINES

On July 22, 1948, notice of proposed rule making, regarding amendments to the employment tax regulations with respect to certain services performed by vendors of newspapers and magazines, made necessary by Public Law 492, 80th Congress, enacted April 20, 1948, was published in the FEDERAL REGISTER (13 F. R. 4191). No objection to the rules proposed having been received, the amendments set forth below are hereby adopted. The amendments are made in order to conform Regulations 106 (26 CFR, Part 402) relating to the employees' tax and the employers' tax under the Federal Insurance Contributions Act (subchapter A, chapter 9, Internal Revenue Code), to sections 1 and 3 of Public Law 492, 80th Congress, and Regulations 107 (26 CFR, Part 403), relating to the excise tax on employers under the Federal Unemployment Tax Act (subchapter C, chapter 9, Internal Revenue Code) to sections 2 and 3 of such Public Law 492. Such regulations are amended as follows:

PARAGRAPH 1. Immediately preceding the caption "Section 3797 (a) and (b) of the Internal Revenue Code" as set forth preceding § 402.201, the following is inserted:

SECTION 1 OF PUBLIC LAW 492 (80TH CONGRESS), ENACTED APRIL 20, 1948

That (a) . . . section 1426 (b) (15) of the Internal Revenue Code, as amended, . . . [is] hereby amended to read as follows:

(15) (A) Service performed by an individual under the age of eighteen in the de-

livery or distribution of newspapers or shopping news, not including delivery or distribution to any point for subsequent delivery or distribution;

(B) Service performed by an individual in, and at the time of, the sale of newspapers or magazines to ultimate consumers, under an arrangement under which the newspapers or magazines are to be sold by him at a fixed price his compensation being based on the retention of the excess of such price over the amount at which the newspapers or magazines are charged to him, whether or not he is guaranteed a minimum amount of compensation for such service, or is entitled to be credited with the unsold newspapers or magazines turned back; or.

(b) The amendment made by subsection (a) . . . to section 1426 (b) (15) of the Internal Revenue Code shall be applicable with respect to services performed after December 31, 1939.

PAR. 2. Section 402.203, as amended by Treasury Decision 5519, approved June 14, 1946, is further amended by striking out the period at the end of the first sentence thereof and inserting in lieu thereof a comma and the following: "and as further amended, effective January 1, 1940, by section 1 of Public Law 492, 80th Congress, relating to certain vendors of newspapers and magazines."

PAR. 3. Section 402.206, as amended by Treasury Decision 5519, is further amended by striking out the period at the end of the first sentence thereof and inserting in lieu thereof a comma and the following: "and as further amended, effective January 1, 1940, by section 1 of Public Law 492, 80th Congress, relating to certain vendors of newspapers and magazines."

PAR. 4. Immediately preceding § 402.226, the following is inserted:

SECTION 1 OF PUBLIC LAW 492 (80TH CONGRESS), ENACTED APRIL 20, 1948

That (a) . . . section 1426 (b) (15) of the Internal Revenue Code, as amended, . . . [is] hereby amended to read as follows:

(15) (A) Service performed by an individual under the age of eighteen in the delivery or distribution of newspapers or shopping news, not including delivery or distribution to any point for subsequent delivery or distribution;

(B) Service performed by an individual in, and at the time of, the sale of newspapers or magazines to ultimate consumers, under an arrangement under which the newspapers or magazines are to be sold by him at a fixed price his compensation being based on the retention of the excess of such price over the amount at which the newspapers or magazines are charged to him, whether or not he is guaranteed a minimum amount of compensation for such service, or is entitled to be credited with the unsold newspapers or magazines turned back; or.

(b) The amendment made by subsection (a) . . . to section 1426 (b) (15) of the Internal Revenue Code shall be applicable with respect to services performed after December 31, 1939.

PAR. 5. Section 402.226 is amended to read as follows:

§ 402.226 *Delivery and distribution of newspapers, shopping news, and magazines*—(a) *In general.* Subparagraph

(A) of section 1426 (b) (15) of the act, as amended by section 1 of Public Law 492, 80th Congress, enacted April 20, 1948, excepts certain services performed by an employee under the age of 18 in the delivery or distribution of newspapers or shopping news. This exception, which is dealt with in paragraph (b) of this section, continues without change the exception contained in section 1426 (b) (15) as added by section 606 of the Social Security Act Amendments of 1939. Subparagraph (B) of section 1426 (b) (15), added by section 1 of Public Law 492, excepts certain services in the sale of newspapers and magazines without regard to the age of the individual performing the services. Such exception is dealt with in paragraph (c) of this section. The exceptions in subparagraph (A) and subparagraph (B) are both applicable with respect to services performed after December 31, 1939.

(b) *Services of individuals under age 18.* Services performed by an employee under the age of 18 in the delivery or distribution of newspapers or shopping news, not including delivery or distribution (as, for example, by a regional distributor) to any point for subsequent delivery or distribution, are excepted. Thus, the services performed by an employee under the age of 18 in making house-to-house delivery or sale of newspapers or shopping news, including handbills and other similar types of advertising material, are excepted. The services are excepted irrespective of the form or method of compensation. Incidental services by the employee who makes the house-to-house delivery, such as services in assembling newspapers, are considered to be within the exception. The exception continues only during the time that the employee is under the age of 18.

(c) *Services of individuals of any age.* Services performed by an employee in, and at the time of, the sale of newspapers or magazines to ultimate consumers under an arrangement under which the newspapers or magazines are to be sold by him at a fixed price, his compensation being based on the retention of the excess of such price over the amount at which the newspapers or magazines are charged to him, are excepted. The services are excepted whether or not the employee is guaranteed a minimum amount of compensation for such services, or is entitled to be credited with the unsold newspapers or magazines turned back. Moreover, the services are excepted without regard to the age of the employee. Services performed other than at the time of sale to the ultimate consumer are not within the exception. Thus, the services of a regional distributor which are antecedent to but not immediately part of the sale to the ultimate consumer are not within the exception. However, incidental services by the employee who makes the sale to the ultimate consumer, such as services in assembling newspapers or in taking newspapers or magazines to the place of sale, are considered to be within the exception.

PAR. 6. Immediately preceding § 402.704, the following is inserted:

SECTION 3 OF PUBLIC LAW 492 (80TH CONG.), ENACTED APRIL 20, 1948

If any amount paid prior to the date of the enactment of this Act constitutes an overpayment of tax solely by reason of an amendment made by this Act, no refund or credit shall be made or allowed with respect to the amount of such overpayment.

PAR. 7. Section 402.704, as amended by Treasury Decision 5519, is further amended by inserting at the end of such section the following:

(1) *Prohibition of refund or credit.* No refund or credit is allowable with respect to any amount paid prior to April 20, 1948, the date of the enactment of Public Law 492, 80th Congress (relating to the exception of certain services performed by vendors of newspapers and magazines) which constitutes an overpayment of tax solely by reason of an amendment made by such law. (For provisions relating to services excepted from employment by Public Law 492, 80th Congress, see § 402.226 (c))

PAR. 8. Immediately preceding the caption "Section 3797 (a) and (b) of the Internal Revenue Code" as set forth preceding § 403.201, the following is inserted:

SECTION 2 OF PUBLIC LAW 492 (80TH CONGRESS), ENACTED APRIL 20, 1948

(a) Section 1607 (c) (15) of the Internal Revenue Code, as amended, is hereby amended to read as follows:

(15) (A) Service performed by an individual under the age of eighteen in the delivery or distribution of newspapers or shopping news, not including delivery or distribution to any point for subsequent delivery or distribution;

(B) Service performed by an individual in, and at the time of, the sale of newspapers or magazines to ultimate consumers, under an arrangement under which the newspapers or magazines are to be sold by him at a fixed price, his compensation being based on the retention of the excess of such price over the amount at which the newspapers or magazines are charged to him, whether or not he is guaranteed a minimum amount of compensation for such service, or is entitled to be credited with the unsold newspapers or magazines turned back.

(b) The amendment made by subsection (a) shall be applicable with respect to services performed after December 31, 1939, and, as to services performed before July 1, 1946, shall be applied as if such amendment had been a part of section 1607 (c) (15) of the Internal Revenue Code as added to such code by section 614 of the Social Security Act Amendments of 1939.

PAR. 9. Section 403.203, as amended by Treasury Decision 5566, approved June 23, 1947, is further amended as follows:

(A) By striking out in the first sentence thereof the words "and as further amended" and inserting in lieu thereof "and as amended"

(B) By striking out the period at the end of the first sentence thereof and inserting in lieu thereof a comma and the following: "and as further amended, effective January 1, 1940, by section 2 of Public Law 492, 80th Congress, relating to certain vendors of newspapers and magazines."

PAR. 10. Section 403.206, as amended by Treasury Decision 5566, is further amended as follows:

(A) By striking out in the first sentence thereof the words "and as further amended" and inserting in lieu thereof "and as amended"

(B) By striking out the period at the end of the first sentence thereof and inserting in lieu thereof a comma and the following: "and as further amended, effective January 1, 1940, by section 2 of Public Law 492, 80th Congress, relating to certain vendors of newspapers and magazines."

PAR. 11. Immediately preceding § 403.226, the following is inserted:

SECTION 2 OF PUBLIC LAW 492 (80TH CONGRESS), ENACTED APRIL 20, 1948

(a) Section 1607 (c) (15) of the Internal Revenue Code, as amended, is hereby amended to read as follows:

(15) (A) Service performed by an individual under the age of eighteen in the delivery or distribution of newspapers or shopping news, not including delivery or distribution to any point for subsequent delivery or distribution;

(B) Service performed by an individual in, and at the time of, the sale of newspapers or magazines to ultimate consumers, under an arrangement under which the newspapers or magazines are to be sold by him at a fixed price, his compensation being based on the retention of the excess of such price over the amount at which the newspapers or magazines are charged to him, whether or not he is guaranteed a minimum amount of compensation for such service, or is entitled to be credited with the unsold newspapers or magazines turned back;

(b) The amendment made by subsection (a) shall be applicable with respect to services performed after December 31, 1939, and, as to services performed before July 1, 1946, shall be applied as if such amendment had been a part of section 1607 (c) (15) of the Internal Revenue Code as added to such code by section 614 of the Social Security Act Amendments of 1939.

PAR. 12. Section 403.226 is amended to read as follows:

§ 403.226 *Delivery and distribution of newspapers, shopping news, and magazines—*(a) *In general.* Subparagraph

(A) of section 1607 (c) (15) of the act, as amended by section 2 of Public Law 492, 80th Congress, enacted April 20, 1948, excepts certain services performed by an employee under the age of 18 in the delivery or distribution of newspapers or shopping news. This exception, which is dealt with in paragraph (b) of this section, continues without change the exception contained in section 1607 (c) (15) as added by section 614 of the Social Security Act Amendments of 1939. Subparagraph (B) of section 1607 (c) (15) added by section 2 of Public Law 492, excepts certain services in the sale of newspapers and magazines without regard to the age of the individual performing the services. Such exception is dealt with in paragraph (c) of this section. The exceptions in subparagraph (A) and subparagraph (B) are both applicable with respect to services performed after December 31, 1939.

(b) *Services of individuals under age 18.* Services performed by an employee under the age of 18 in the delivery or distribution of newspapers or shopping news, not including delivery or distribution (as, for example, by a regional distributor) to any point for subsequent delivery or distribution, are excepted. Thus, the services performed by an employee under the age of 18 in making house-to-house delivery or sale of newspapers or shopping news, including handbills and other similar types of advertising material, are excepted. The services are excepted irrespective of the form or method of compensation. Incidental services by the employee who makes the house-to-house delivery, such as services in assembling newspapers, are considered to be within the exception. The exception continues only during the time that the employee is under the age of 18.

### Chapter I—Federal Communications Commission

[Docket No. 7858]

#### PART 18—INDUSTRIAL, SCIENTIFIC AND MEDICAL SERVICE

##### ELECTRIC WELDING DEVICES USING RADIO FREQUENCY ENERGY

At a meeting of the Federal Communications Commission held at its offices in Washington, D. C., on the 26th day of October 1948;

The Commission having under consideration petitions proposing that it suspend the effective date of Part 18 of the Commission's rules and regulations as it applies to electric welding devices using radio frequency energy; and

It appearing, that said petitions allege that extensive research has been undertaken designed to bring such welding equipment into conformity with the provisions of Part 18; that such equipment is of strategic importance in welding processes utilized for material manufactured and developed for the national defense; and that such research has not as yet proved wholly successful; and

It further appearing, that additional experimentation looking toward the solution of engineering problems involved in bringing such equipment into conformity with the said rules is now being undertaken and expedited on an industry-wide cooperative basis and that such experimentation may result in the solution of such problems and in the disclosure of valuable engineering data; and

It further appearing, that Part 18 of the Commission's rules and regulations with respect to electrical welding devices using radio frequency energy becomes effective October 30, 1948; that for the reasons set forth above the suspension of Part 18 for a limited period with respect to such devices is warranted; and that because of the imminent effective date of Part 18 for such welding devices, it is impracticable to give notice and invoke the procedure set forth in section 4 of the Administrative Procedure Act; and

It further appearing, that authority for the proposed amendment is contained in sections 301, 303 (f) and (r) of the Communications Act of 1934, as amended:

*It is ordered,* That effective immediately, Part 18 of the Commission's rules and regulations is amended so that an asterisk footnote is added to § 18.1 (a) as amended to read as follows:

\* The effective date of Part 18, with respect to electrical welding devices using radio frequency energy, is April 30, 1949.

#### Subchapter C—National Wildlife Refuges; Individual Regulations

#### PART 29—PLAINS REGION NATIONAL WILDLIFE REFUGES

#### HUNTING IN LOSTWOOD NATIONAL WILDLIFE REFUGE, NORTH DAKOTA

*Basis and purposes.* On the basis of observations and reports of field repre-

sentatives of the Fish and Wildlife Service and of Conservation Agents of the North Dakota Game and Fish Department, it has been determined there is a general surplus of deer in much of North Dakota and that the reduction of the population can be facilitated by opening certain National Wildlife Refuges in the State to the public hunting of deer.

Section 29.572 is amended to read:

§ 29.572 *Lostwood National Wildlife Refuge, North Dakota; hunting.* Deer, coyotes, and fox may be taken during the open season prescribed by the Game and Fish Department of the State of North Dakota for the hunting of deer during the calendar year 1948 on certain lands, hereinafter specified, of the United States within the Lostwood National Wildlife Refuge, North Dakota.

(a) *Area open to hunting.* All the lands of the United States except the area within one-half mile of the headquarters and subheadquarters of the Lostwood Refuge shall be open to such hunting.

(b) *Entry.* Entry on and use of the Refuge are governed by Part 12 of this

chapter, and strict compliance therewith is required. Hunters must follow such routes of travel within the Refuge as are designated by posting.

(c) *State laws.* Strict compliance with all State laws and regulations is required, and any person who hunts on the Refuge must have in his possession and exhibit at the request of any authorized Federal or State officer a valid State hunting license and permit for the taking of deer if such is required by the State laws and regulations. The license and permit will serve as a Federal permit for entry on the Refuge for the purpose of hunting deer.

## FOREIGN-TRADE ZONES BOARD

[Public Notice 6]

APPLICATION FOR GRANT TO ESTABLISH,  
OPERATE AND MAINTAIN FOREIGN-TRADE  
ZONE AT LOS ANGELES, CALIF.

## NOTICE OF HEARING

NOVEMBER 1, 1948.

Pursuant to the provisions of the act of June 18, 1934 (48 Stat. 998-1003; 19 U. S. C. 81a-81u) and the regulations governing the establishment, operation, maintenance and administration of foreign-trade zones in the United States, promulgated in pursuance of said act, a public hearing will be held by an Examiners' Committee, beginning at 9:30 a. m., California daylight time, on November 30, 1948, in the Assembly Hall, Room 150 California State Building, First and Spring Streets, Los Angeles, Calif.

The subject of the hearing is an application by the Board of Harbor Commissioners for the City of Los Angeles for a grant to establish, operate and maintain a foreign-trade zone at Los Angeles. General plans showing the location of the project, may be examined at the office of the Examiners' Committee, 1546 U. S. Post Office and Court House Building, 312 North Spring Street, Los Angeles, Calif., or at the office of the Executive Secretary of the Foreign-Trade Zones Board, Room 2036, Commerce Building, Washington, D. C. In brief, these plans contemplate the utilization of a portion of Municipal Pier No. 1 of the Board of Harbor Commissioners for the City of Los Angeles, located between the Main Channel and the East Channel in the Los Angeles Harbor, said portion being designated Berth 60, and having a wharf frontage of 600 feet covered by a shed of 100 feet by 600 feet with approximately 68,000 square feet of floor area, equipped with cargo masts; adjacent to which is a six-story warehouse of which 20,284 square feet and an adjoining administration building of 11,250 square feet has been designated as the initial zone area; with additional covered and uncovered areas available for future expansion.

This public hearing is solely for the purpose of obtaining in the most direct manner the facts useful to the Foreign-Trade Zones Board. The immediate concern of the Examiners' Committee is to determine whether or not the facilities and appurtenances which it is proposed to provide are sufficient. Particular attention is called to the fact that the instant application is the only one to be considered at this time. The question of its suitability is up for discussion, not the suitability of some other zone site.

All interested parties are invited to be present or represented at the hearing; particularly those who may be affected by the proposed grant. An opportunity to be heard (either in person or by duly appointed representatives; either by appearance or by sending a written or telegraphic statement) will be given to persons or groups who have manifested their interest in this application by complying with the following simple requirements:

1. A written or telegraphic request for an opportunity to be heard shall be filed before noon on November 26, 1948, at the office of the Examiners' Committee, Room 1546, U. S. Post Office and Court House Building, 312 North Spring Street, Los Angeles, Calif., or at the office of the Executive Secretary of the Foreign-Trade Zones Board, Room 2036, Commerce Building, Washington, D. C., and shall indicate the number of witnesses, the general character of evidence and the approximate amount of time required.

2. Such request shall include (a) the name of any persons seeking to speak at the hearing, and (b) the persons or groups he represents.

In the discretion of the Examiners' Committee, persons who have not complied with the foregoing may be permitted, at any time prior to the closing of the hearing, to file written statements in quadruplicate regarding the application under consideration. Such written statements should be condensed as much as possible.

Representation of interested parties by attorneys or others is permissible, but is not to be regarded as necessary. For accuracy of record, and for file with the report and recommendations of the Examiners' Committee, all important facts and arguments should be submitted in writing; as these, together with the record, will be forwarded for consideration by the Foreign-Trade Zones Board in Washington.

You are requested to communicate the foregoing to any persons known by you to be interested in the matter who, not being known to this Committee, do not receive a copy of this notice.
